Two Towns One Book Book Club Registration Form

Two Towns One Book (TTOB) is a project of the Clifton Park Halfmoon Friends of the Library (FOL). The goal of TTOB is to bring people in our community together through the shared reading and discussion of a common book. Our annual book selection inspires rich discussion and community activities and encourages younger readers to participate through companion books and related activities. It is also a perfect connection for the many book clubs that exist in our community. Completion of this registration form will ensure all interested book clubs receive information about the annual TTOB selection and related activities. Please email the completed form to ttobbookclubs@gmail.com

There is no charge to register your book club with the TTOB. In addition, you are not required to be a Clifton Park Halfmoon Library (CPH Library) card holder, a member of the FOL nor a resident of Clifton Park or Halfmoon. If you or members of your book club would like to obtain a CPH Library card, [click here](#). For more information about becoming a member of the FOL [click here](#). For more information about Two Towns One Book (TTOB) [click here](#).
