

BE A LASTING PART OF THE LIBRARY WITH A PAVER

Celebrate the wonderful people in your life with an engraved paver! It is a unique gift that will last a lifetime.

The mission of the Friends of the Clifton Park-Halfmoon Public Library (CPH Friends) is to act as a bridge to the community by:

- 1) Increasing public awareness of, focusing attention on, and expanding the use of the Clifton Park-Halfmoon Public Library.*
- 2) Initiating, organizing, promoting, and encouraging cultural and educational activities.*
- 3) Procuring gifts and endowments for the Clifton Park-Halfmoon Public Library, as well as raising funds to support certain Library activities.*

Paver Project

The CPH Friends invite you to buy an engraved paver as a gift or memorial. Funds raised from the sale of pavers will be used to support special programming and enhancements in our library that are not covered in the budget.

Pavers are available in three prominent locations:

- 1. Portico:** This is by the front walkway and has the most traffic of the three paved areas.
- 2. Reading Garden:** This area in the rear of the Library includes our Reading Garden, water feature, and seating.
- 3. Flagpole:** Pavers have been placed in a circular pattern around the flagpole. These pavers will be reserved for those who want to remember a member of the United States Armed Forces.

Pavers will be engraved once each year as part of this ongoing Friends project. You will be notified once your paver has been engraved.

Order Guidelines

- You may choose a 6"x 6" or 6" x 9" brick to be located in one of our three areas.
- There is a maximum of three lines of text on either size brick.
- Larger bricks can accommodate 15 characters per line and the smaller brick, 10 characters per line. Spaces count as a character.
- Pavers in the portico area will be most visible. These bricks may be engraved with a name and/or a short message.
- The Reading Garden is the largest area where the engraved pavers will be located. These bricks can be engraved with a choice of a name and message or a favorite book or author.
- The Flagpole area is intended to serve as a memorial to members of the United States Armed Forces. These bricks can be engraved with "In honor of" or "In memory of".
